NEGRO EMANCIPATION DAY OCCURS JANUARY THIRD.

The colored people of Midway and Wavercross, under the auspices of the Daytona Industrial School, are making preparations to arrange for an elaborate celebration of Emancipation Day on Monday, January third. There will be a street parade arranged under the direction of the colored Masonic and Odd Fellow lodges, displaying the industrial, commercial, fraternal and religious development of the negro race in this section and other attractive features in the parade, with an oration at the Armory by one of the most noted negro orators of the South, Dr. S. T. Rice, of Orlando, touching upon the progress of the race since their emancipation and other features commensurate of that historical event.

All employers, both in the industrial and domestic relationship with the colored people, are requested to give their employees a half holiday on the date of the celebration to enable them to take part in the parade and the subsequent festivities.

At 8:00 p. m., there will be a memorial concert at the same place for the benefit of the Industrial School.

HOTEL CLERKS TO HAVE NATIONAL ORGANIZATION

Hasneesh.

There was a terrible secret society in the east which was organized for wholesale and systematic murder. Its members called themselves "Hasneesh"—whence, by the way, came our word "assassin"—and used to get up courage for their deeds of atrocity by doses of the drug called "hasneesh." This is obtained from Indian hemp, and it is from the seed vessels that the substance is taken which yields the poison so famed in history and romance. It is a vivid green and when taken produces the most extraordinary visions and hallucinations.

Logical.

"How bright my eyes are when engaged!" Yes, a girl's bright lights up a girl's face.
